

One Week Online Workshop on

“AI-DRIVEN RESEARCH & QUALITATIVE DATA ANALYSIS”

(MAY 22 - 28, 2025)

Organized By

**Resilient Foundation For Academic Innovation &
Scientific Research, New Delhi**

(Registered with NITI Aayog, Govt. of India)

ONE WEEK ONLINE WORKSHOP ON “AI-DRIVEN RESEARCH & QUALITATIVE DATA ANALYSIS”

ABOUT RESILIENT FOUNDATION :

Resilient Foundation for Academic Innovation & Scientific Research, New Delhi is a not-for-profit organization registered under section 8 of the companies' act 2013, India. The organization is established having primary aim to promote academic & research activities through knowledge sharing, innovation, skill development and capacity building in various sectors like academia, industry and government for betterment of society. For more details please visit <https://theresilientfoundation.org/>

ABOUT THE WORKSHOP:

During the COVID-19 pandemic, the virtual academic engagement is resultant more productive and gives a better outcome. Keeping in view of the immense benefits of the online workshop in the present educational set-up, Resilient Foundation for Academic Innovation & Scientific Research, New Delhi are pleased to offer **One Week Online Workshop on “AI-Driven Research & Qualitative Data Analysis”** for the faculty members, research scholar, health professionals, industry personals, researchers and UG/PG students in the country from 22nd -28th May 2025. The workshop aims to bring together faculties, researchers, and research scholars to exchange and share their experiences and research results on all aspects of “AI-Driven Research & Qualitative Data Analysis”

WORKSHOP SCHEDULE WITH OUTCOMES

TIMING: 06:30PM-08:00PM

Day	Theme	Session Focus	Hands-on Activities	Learning Outcomes
Day 1 – May 22 (Thu)	Qualitative Research in an AI-Augmented World	Introduction to qualitative paradigms, AI in research, contrast between human interpretation and AI automation	Identify a research problem; Frame a qualitative research question using prompt-based tools	Understand the nature of qualitative research and how AI can assist at different stages
Day 2 – May 23 (Fri)	Designing Qualitative Studies with AI Support	Qualitative research design, sampling, data collection strategies, AI-assisted research planning	Create a basic qualitative research design using AI tools for topic expansion	Develop the ability to structure a qualitative study with clarity and purpose
Day 3 – May 24 (Sat)	Literature Review & Pattern Exploration Using AI	Purpose of literature review in qualitative studies, gap identification, AI tools for review automation and synthesis	Conduct a mini literature review; Identify key themes using AI-based clustering	Conduct a mini literature review; Identify key themes using AI-based clustering
Day 4 – May 25 (Sun)	Coding & Thematic Analysis: The Human + AI Approach	Understanding open/axial/selective coding, using AI for theme development and pattern recognition	Practice coding on a short transcript with AI suggestions for clustering	Learn to analyze data thematically and compare human vs. AI-generated insights
Day 5 – May 26 (MON)	Ethical Use, Trust, and Publishing in AI-Augmented Research	Ethical implications, bias, responsible use of AI, writing and publishing research findings	Evaluate a sample write-up for ethical standards and AI disclosures	Build ethical awareness and understand publishing protocols for AI-integrated research
Day 6 – May 27 (Tue)	Hands-On: AI Tools for Qualitative Research Practice	Demonstration and use of AI tools like ChatGPT, Elicit, Scite, Quillbot, TLDR etc. for various research stages	Simulate a mini-study using different AI tools from question framing to findings	Gain practical experience in applying AI tools throughout the qualitative research process
Day 7 – May 28 (Wed)	Showcase & Reflection: Presenting AI-Augmented Qualitative Work	Presentation structure, integrating AI-assisted insights, reflection and peer feedback	Present mini research project using AI tools; Peer feedback and reflection	Demonstrate ability to design and communicate a qualitative research study using AI support

METHODOLOGY

- ◆ Theory-to-practice Sessions Daily
- ◆ Ai Tools Explained In An Accessible, Non-technical Way
- ◆ Participant Engagement Through Live Exercises
- ◆ Discussion on Future Trends In Qualitative and Ai-integrated Research
- ◆ Ready-to-use Templates And Resources

NATURE OF PARTICIPANTS

Faculties, Research Scholars, Social Scientists, Medical Students, Post-doctoral Fellows, Industry Professionals , Ug, Pg Students of All Domain.

WORKSHOP OBJECTIVES:

- ◆ Introduce Qualitative Research Principles And Their Evolving Landscape In The Ai Era.
- ◆ Equip participants with knowledge and tools to integrate AI in research processes.
- ◆ Equip Participants With Knowledge And Tools To Integrate Ai In Research Processes.
- ◆ Encourage Ethical And Critical Use Of Ai In Qualitative Studies.
- ◆ Support Participants In Planning, Conducting, And Writing Ai-supported Qualitative Research.

DURATION & TIME

One Week (22 -28 May 2025)

Timing : 06:30 PM To 08:00 PM

REGISTRATION PROCESS:

Registration Fee for all Participants = **Rs. 600/-**

Registration Link

<https://theresilientfoundation.org/current-events/>

WORKSHOP RULE

Highlights of the Workshop

- ◆ Registered participants will get e-certificates
- ◆ Video recording of all sessions will be provided to all registered participants.
- ◆ Workshop by Subject Experts from reputed Institute & Universities
- ◆ Workshop will be on the Zoom meeting platform.
